Teaching Literature in Grades Ten Through Twelve

Discusses various assessment tools applicable to grades K-6, including self-evaluation, reading-response notebooks, and portfolio creation.

English Journal

In *Teaching Particulars*, Helaine Smith engages her students, grammar school through twelfth grade—and any avid reader—in the questions that great literature evokes. Included are chapters on Homer and Genesis; plays by Sophocles, Shakespeare, and Beckett; poems by Jonson, Donne, Coleridge, Browning, Hopkins, Yeats, Bishop, Hecht, Dove, and Lowell; essays by Baldwin, Lamb, and White; and fiction by Flannery O'Connor, Dickens, Joyce, Poe, Tolstoy, Mann, and Kafka. Whether Helaine Smith is talking to young or older students, she shows how any devoted reader can uncover all sorts of subtle beauty and meaning by reading closely and by assuming that virtually every word and phrase of a great text is deliberate. The question-and-answer form of these jargon-free dialogues creates the feeling of a vibrant classroom where learning and delight are the watchwords. "After her forty years of teaching, Smith's keen understanding of the literary canon makes her the perfect candidate to write this humorous and insightful book." —Foreword

Reviews "Teaching Particulars is an exemplary series of literary conversations by a master teacher on a great variety of important, life-shaping books. The guidance is unfailingly humane, the essays thoughtfully presented by someone who cares as much for the written word as she does about her classroom and her subject matter. Her commentary on Hecht's 'Rites and Ceremonies,' the poet's complex response to Eliot's 'The Waste Land,' ranks among the very best anywhere, as is true for her reading of Hecht's 'Devotions of a Painter,' which has the further advantage of illuminating that work in light of Elizabeth Bishop's profound meditation on painting in her 'Poem.' Reading *Teaching Particulars* makes me wish that all of my students could have had Helaine Smith as their teacher." —Jonathan F. S. Post, Distinguished Professor of English and former Chair of the Department, UCLA "There's simply nothing else like *Teaching Particulars*, a book

packed with so much wisdom and practical advice about teaching literature that every instructor of grades 6 to 12—and of college classes, too—will want to get a copy right now. Even if you're not a teacher, I highly recommend it. The love of books pulses through every page Helaine Smith writes, and her passion is infectious. She opens our eyes to the pleasures of reading in a way that few critics can, and she does it all in a book whose style is both elegant and friendly.” —David Mikics, John and Rebecca Moores Professor of English, University of Houston, and author of *Slow Reading in a Hurried Age* “Teaching Particulars is a bounteous resource for all teachers, as well as a pleasure just to curl up with and read away.” —Susan J. Wolfson, Professor of English, Princeton University “Helaine Smith is a genius of a teacher: witty, imaginative, precise, intuitive, and gracefully learned. Now anyone who opens her *Teaching Particulars* can have the rare privilege of learning from her how to read, in the truest sense. It's never too late to be startled into delight by the power of language, and that is the experience offered on every page of this book. It's a book not only for the schoolroom, but for the school of life.”—Rosanna Warren, Hanna Holborn Gray Distinguished Service Professor, The Committee on Social Thought, The University of Chicago

Prentice Hall Literature: Platinum [grade 10]

Focusing on ability/disability and reading/writing from an interactive perspective, this text emphasizes the importance of determining and establishing the appropriate learning environment for the individual learner. Extensive, in-depth treatment of current research and best practices make this text a 'must-have' addition to any current or future teacher's library. Section I (Chs. 1-3) provides the readers with a strong, comprehensive knowledge of reading/writing research and assessment practices from which readers can move forward to the second and third sections of the text (Chs. 4-10), which contain detailed discussions and examples of assessment practices. Traditional assessments of students are fully explored, and two chapters are devoted to assessing context factors like instructional methods and materials and tasks. Both classroom-based and standardized assessments are described. Section IV stands alone as an important chapter linking assessment to instruction by means of diagnostic instruction. Section V (Ch. 12-15) is devoted to instructional practices designed to improve reading and writing instruction for struggling students. Chapters on word recognition, vocabulary, comprehension-composition, and \"high-utility strategies\" address the major components of literacy development. In the final section (Ch. 16), issues related to professional standards and written reports is addressed.

Teaching Particulars

Exam board: AQA A, AQA B, OCR Level: A-level Subject: English First teaching: September 2015 First exams: Summer 2016 (AS); Summer 2017 (A-level) Check, reinforce and improve critical skills and textual understanding to give students the best chance of success in their AS/A-level English Literature exams. Journal of the National Cancer Institute

Create effective text-dependent questions to increase students' understanding of text through in-depth examinations. This teacher resource enables students to study broad concepts, such as text structure and point of view, as well as analyze the overarching themes, concepts, arguments, and claims presented in texts. Written at a variety of grade level ranges, these text-dependent question stems allow teachers to differentiate content so all students can access and understand the concepts explored. Question stems can also be used to correlate to the Common Core and other state standards.
